Memorial Program

The program has expanded and now offers three unique ways to permanently memorialize someone in one of our 42 parks. Your purchase of a tree, bench, or brick is good for any special occasion or to remember a loved one.

The Memorial Program is a perfect way to commemorate life's milestones, such as celebrating the birth of a newborn, birthday, anniversary, graduation, retirement, remembrance of a special achievement, or a recognition of someone special.

Memorial Bench Program

Each bench you purchase is made out of recycled plastic. Placement of the bench will be coordinated with the Parks Department to ensure your satisfaction. For added memorial value, engraved plaques can be added to the bench with your own personalized message. Benches with engraving start at \$1,400 with a maximum of four (4) lines on the plaque.

Memorial Brick Program

Each brick you purchase will be engraved with your personalized message and placed at Park Place Family Recreation Center. Please note: the Streamwood Park District reserves the right to determine the location of bricks in the pathway pattern. Bricks start at \$75 with the option of adding up to three (3) lines of text, with thirteen (13) characters per line.
