

Butterfly Park Renovation and Grant Opportunity

Background

- ▶ Playground was built in 1991
- ► Popular use, lots of young children in the area
- Named in memory of a young girl who loved butterflies
- ► Aging and in dire need of an update
- ► State grant money available
 - ► Matching grant up to \$400K through OSLAD Grant
 - Maximizes use of tax dollars and renovation plans

O.S.L.A.D. Grant Opportunity

- ► The Illinois Department of Natural Resources currently has funding available for the O.S.L.A.D. Grant, which is the Open Space Lands Acquisition and Development Grant
- Provides up to \$400,000 of matching funds toward a qualifying project
- ► 2021 Commissioners' Park renovation was partially funded by an O.S.L.A.D. Grant

Summer 2023

Grand Re-Opening

How soon could this project happen?

- ▶ OSLAD Grant Applications are due September 1, 2021
- IDNR review of applications typically takes up to 6 months
- Once grants are awarded, the project must be complete within two years
- If our application is successful, then the project would start right away (finalize plans, go out to bid, begin construction)
 - Estimated to start construction in 2022
 - ► Mandatory completion in 2024
 - Construction should only take a few months from start to finish
- If our application is unsuccessful, then we would need to reconsider the renovation scope and modify for funding available

What types of things could be at the new park?

A potential renovation at Butterfly Park could include:

- ► New ADA, inclusive playground*
- ► Gazebo (pavilion)*
- ► New walking path*
- ► ADA accessible benches
- ► Butterfly/pollinator garden
- ► Rain garden
- ▶ Butterfly benches and other Butterfly-themed amenities
- ► Open space for general use

^{*}Amenities that help us score points on our grant application

What is an Inclusive Playground?

A well-designed, inclusive play environment enables all children to develop physically, socially and emotionally.

An inclusive playground provides the just-right level of challenge, addresses all levels of ability, and goes beyond minimum accessibility to create play experiences that meet a variety of needs and interests.

At an inclusive playground, children of all abilities can interact with each other and do what all kids want to do: play.

What is at an Inclusive Playground?

- ► Same traditional playground structures you're used to
- ► Wheelchair accessible ramps and routes
- Activity panels
- Sensory simulation
- Musical components
- ► Fosters social interaction

Why an Inclusive Playground?

- ► Eliminates bias toward children with disabilities
- Simple and intuitive use
- Suitable for children of all ages and abilities
- Artificial surfacing
 - ► True ADA compliance
 - Lower maintenance needs
 - ► Wheelchair accessible at all times
- Would be the first of its kind in Streamwood!
